4 Winds in the Community

Ten Years of Support

- Over £712,000 issued since 2013
- Supported over 125 organisations
- More than 300 grants awarded
- Average award £2,160

4 Winds continues to be a vital source of funding for community groups and organisations, with a leading role supporting the work of 125 good causes in the local area. Trustees from within the communities know the groups and their work, helping the funds get to the places they are needed. The funding has reached into every corner of society in the four areas of benefit, from youth clubs to senior citizens groups, and has delivered benefits for thousands of people living locally.

With community councils for our four 'Areas of Benefit' being our core charity members, we have strong roots into our communities, with clubs and groups which are really valued by their members and wider community.

4 Winds has been a significant source of funding for community groups over the past decade, and we aim to continue that independent stewardship of community benefits from the wind farm we live with.

The Story So Far

The Little Raith Wind Farm was developed by Kennedy Renewables, opening the 9-turbine site south of Cowdenbeath in 2013. The turbine farm has a capacity of 24.75 MW, enough to power the equivalent of 19,000 homes for a year. In 2019 the site was acquired by TRIG - The Renewables Infrastructure Group - which is the largest renewables operator in the world.

TRIG sell the energy produced at the wind farm, with a pre-determined value in community benefits being managed by RES, who have the relationship with 4 Winds and provide quarterly payments to the charity.

4 Winds, a registered charity with trustees from the local community, is then responsible for distribution of these funds to good causes in the 4 'Areas of Benefit' - Auchtertool, Cowdenbeath, Lochgelly & Lumphinnans.

4 Winds People

The charity has 2 tiers of membership:

- Community councillors from each of the 4 local areas are defined as our Members
- Trustees are appointed from within the community to run the charity

As volunteers who are close to our communities, each of our 4 Winds Trustees takes pride in the impact of the charity and its funding for local good causes. We know the local groups, we understand their work and the difference they make in our towns and villages.

Trustees are motivated to help each of the 4 communities to help tackle isolation and the challenges caused by poverty and inequality. We have a shared interest in developing the capacity of our local groups, improving skills in the local area and keeping our communities alive. Charities, voluntary groups and community organisations are the life-blood of these places and we want to see them succeed.

We appreciate the importance of having funds to invest in community life and feel privileged to have the opportunity to play a part in enriching the lives of people in this area. We are regularly impressed by the vision, ambition and impact of groups who apply for funding, who deliver some fantastic services to our communities.

We're happy to answer any questions about the charity, our governance or finances - simply email: Admin@4Winds.scot

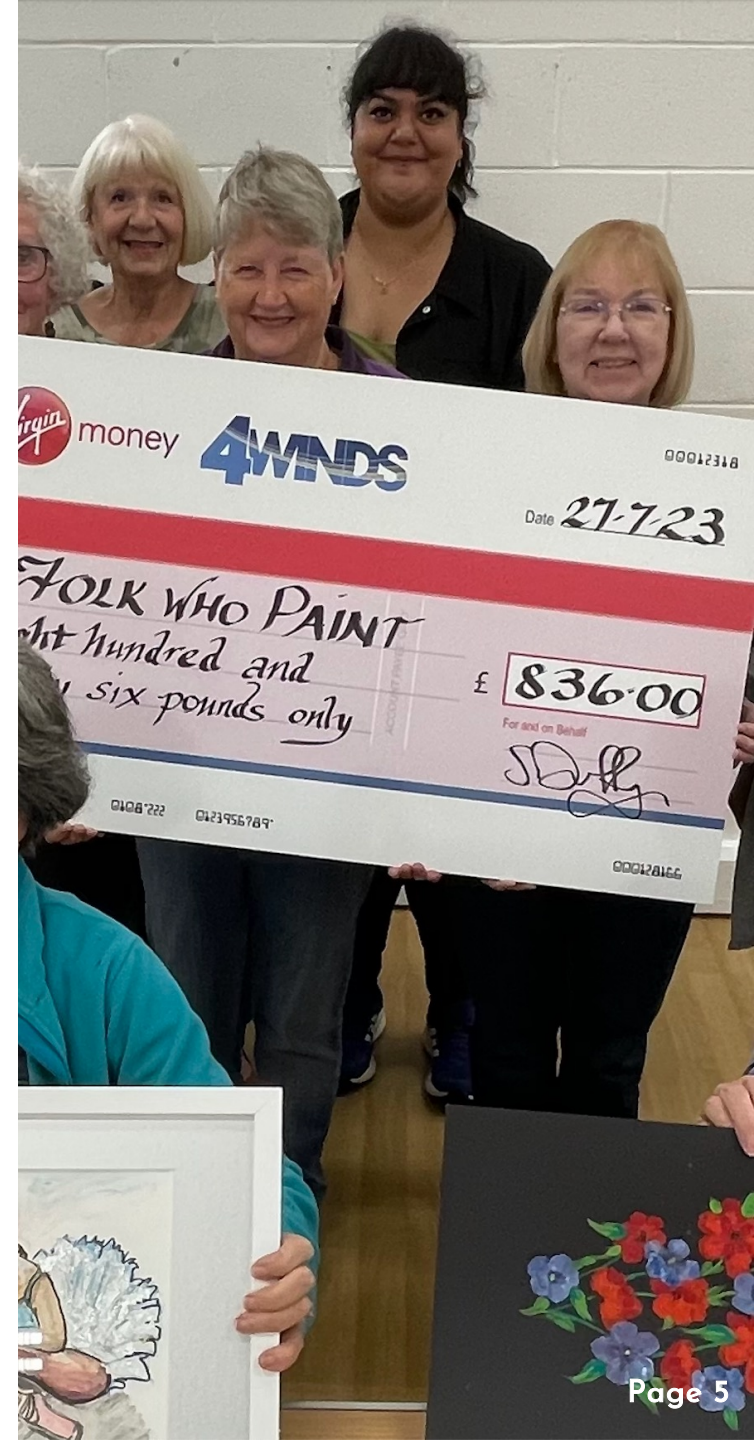

What the numbers say...

2013 - 2023

	<u>Auchtertool</u>	<u>Cowdenbeath</u>	<u>Lochgelly</u>	<u>Lumphinnans</u>

A New Decade

As the charity looks ahead to a new decade supporting the work of amazing good causes in the local community, we do so with confidence and positivity. The board are ready to face any challenges and we continue to invest in the welfare and wellbeing of the people who live in this area. With an uncertain economic outlook, and funding for groups being more difficult to achieve, our aim is to provide a local source of investment to keep our community spirit alive!

We will continue to update members at each of the community councils on our work and look to expand the opportunities available, so 4 Winds funding can reach even more people in the future.

We will continue to strengthen our governance, policies and oversight of funds used to ensure our communities can continue to have confidence in the charity and its board.

New Website Now LIVE!

Our new charity website is packed with information about the fund and our history, with greater transparency and access than ever before.

About

4 Winds SCIO is the charity set-up to distribute community benefits from the Little Raith Wind Farm in Fife!

Established in 2013, the charity has supported good causes in the localities of Auchtertool, Cowdenbeath, Lochgelly and Lumphinnans with over £700,000 over the past decade.
